Telecast, Radiate

Jesus it's a beautiful day
I'm so deep in your mercy, I could swim in your grace
Lord the only thing I want to say
Radiate in me

I'm falling in love with you
I'm falling in love with you
Jesus I want nothing more
Than to radiate your love oh Lord
I'm falling in love with you
So radiate in me

Jesus radiate in me today
Let me be a light for you
In a world that seems so grey
Lord I offer up this song of praise
So radiate in me
