Napalm Death, Instinct Of Surviva

Advertise the product you make
Never give but always take
Kill and lie for security
Your shit on the supermarket
Shelves to see

Instinct of survival

Advertise the product you make
Never give and always take
Clingfilmed flesh and genocide
A contented life while millions die

Instinct of survival

The multinational corporation
Makes it's profits from the starving nations
Indigenous people become their slaves
From their births into their graves

The multinational corporation
Takes it's profits from the starving nations
Another product for you to buy
You'll keep on paying untill you die
