Negative, Frozen To Lose It All

Alone
In sadness
You are
Pure and innocent
All the suffering
In your eyes
So love decides
It's time to lose it all
In your paradise, you stayed
Lost and lonely, you are

In memories
We're all we used to be
Our frozen broken hearts
Ready to lose it all
Love's running out
Too fast, it's all we have
This all reminds
Of how in love and lost we are

You stayed
Alone in sorrow
So far away
Where the sunbeams never reach
All alone
And lost we are (we are)
Your loneliness
It could be here to stay
In your paradise, you stayed
So lost and lonely you are

In memories
We're all we used to be
Our frozen broken hearts
Ready to lose it all
(Frozen to lose it all)
Love's running out
Too fast, it's all we have
This all reminds
Of how in love and lost we are

In memories
We're all we used to be
Our frozen broken hearts
Ready to lose it all
(Frozen to lose it all)
Love's running out
Too fast, it's all we have
This all reminds
Of how in love and lost we are
(Frozen to lose it all)
Frozen to lose it all
(Frozen to lose it all)
