American Idol, At Last (Julia Demato)

At last my love has come along
My lonely days are over
And life is like a song

Ohh yeah yeah
At last
the skies above are blue
My heart was wrapped up in clover
The night I looked at you

I found a dream, that I could speak to
A dream that I can call my own
I found a thrill to press my cheek to
A thrill that I have never known

Ohh yeah yeah?
You smile, you smile
oh And then the spell was cast
And here we are in heaven
for you are mine....
At Last
