Nelly Furtado, Pipe Dreams

Don’t sell me no pipe dreams
I wanna libe with you throught everything
Don’t sell me no pipe dreams
I wanna live in a kaleidoscope
Don’t sell me no pipe dreams
Will I be the One to spin the wheel?

I know that we can only give
When we have hope
Thought don’t wanna live
Without my goals
Can’t protect me from nothing
Can’t save me from the truth
You can’t even save me from… you!

Don’t sell me no pipe dreams
I wanna feel the good
And vile everything
Even when it hurts
Even when it hurts

I know that we can only give
When we have hope
But I don’t like the burden
Of living with these goals
Yes, I will hold my hand high
When I walk in your parade
But I will always check my gates
I will alwys watch my gates
