Patricia Kaas, Space In My Heart

Space In My Heart
D. Austin & Maxi Priest

All I really want to do is get
  you babe and hold you tight
Never let you go
I promise you
To close my eyes and wait
  a while
And still find you there
Caring about me instead of
  just wasting my time
I gave you my heart,
  ooh baby
Was that not enough
Chorus:
There's a space in my heart
Waiting for you, yes there is
When you've found where
  you're going
I'll be there too, yes I will

I guess I never told you that
  I love you
But each moment was wrong
And I would die
If I never get a chance to show
  you how strong
I gave you my heart, yes I
  did babe
Was that not enough for
  you baby

Chorus
Going to find a way
Find a way to make you mine
