Per Gessle, Kix

All around the world you go
All around the world you go
All around the world you go
The more you go, the less you know, hey baby
You'll never stand a chance
All you're lookin' for is somebody to feed you
All you're lookin' for is something in the air
All you're gettin' are some trash to breathe
The more you leave, the more we love you baby
Why should you stand a chance?
All that you love, all that you need
You came in for KIX
All that you love, all that you need
You came in for KIX
You're a super accident, you're a major accident
Everybody's tryin' to pay the rent
-"Out she went!" It's heaven sent , hey baby
You'll never understad
All that you love, all that you need
You came in for KIX
You're workin' so hard on your demand
It's all about KIX
It's not that funny, is it?
It's not that funny, is it?
It's not that funny...funny...
All that you love, all that you need
You came in for KIX
You're workin' so hard on your demand
It's all about KIX
All that you love, all that you dig
You came in for KIX
It's all in your head, it's all in your bed
It's all about KIX KIX KIX
It's all about KIX
Sweet sweet KIX
It's all in your head
It's all in your head
It's all about KIX
From album "The World According To Geesle"
