Lovely lady, silent lady
Will tomorrow be the last day in your life
I can't free you, only plea you
On the last days of your life

Lady run, lady hide
Lady run, lady hide

Lonely lady, lovely lady
Do you know, do you know you've lost the fight
Cause we'll use you, and abuse you
On the last days of your life
Our tomorrow is now today
And our last chance to find a way
You'd think we'd learn, you'd think we'd try
When tomorrow we all could die

Lady run, lady hide
Lady run, lady hide
Lady run, lady hide
Lady run, lady hide, lady hide
