

# 10CC, Lazy Ways

Hazy Days  
With Lazy Ways  
You get less done but more  
Out of your days  
How can you work yet avoid  
Getting out of your lazy ways  
You'll never get up if you don't get up  
You'll always stay down if you sit around  
You'll never get up if you don't get up  
You'll always stay down if you sit around  
Hazy Days  
Lazy Ways  
We got less done but more  
Out of our days  
How can we ever recapture the feeling  
Of lazy ways  
You'll never get up if you don't get up  
You'll always stay down if you sit around  
Where nobody cares and nobody tries

'Cos a daydreams resting on the back of your eyes  
On the back of your eyes  
Taking five  
Bring love to me  
With your body  
Let me hold you  
Endless, endlessly  
You'll never get up if you don't get up  
You'll always stay down if you sit around  
Where nobody cares and nobody tries  
'Cos a daydreams resting on the back of your eyes  
On the back of your eyes

Hazy days  
Lazy ways  
You get less done but more  
Out of your days  
Crazy days  
Lazy ways
