ZZ Top, Stackin' Paper

Stackin' Paper
Cheese and huevos
Gimmie 'nother million dollars
another million

Stackin' Paper
My money maker
I'm ready and I'm willin'
Just stack a billion

Listen, buddy brother
'Cause sister got to have it too
Hey, hey, hey, now.

I hit it in Reno
Then in Monte Carlo
I can hit it everywhere!

Loaded and truckin'
if you're shy, just fuck it
If I'm smellin' green
Then I don't care

Listen, buddy brother
'Cause sister got to have it too
Hey, hey, hey, now.

Stackin' the Paper Baby

Stackin' Paper
Cheese and huevos
Gimmie 'nother million

Stackin' Paper
My money maker
I'm ready and I'm willin'
Just stack a billion

Listen, buddy brother
'Cause sister got to have it too
Hey, hey, hey, now.
Hey, hey, hey, now.
Hey, hey, hey, now.
