R.E.M., Furry happy monsters

Furry happy monsters laughing (oh, thats great!)
Monsters having fun,
Happy, happy
See them jump and run.
Happy, happy
laughing all the while
Cheerful cheerful
Flashing a big smile
Thats a perfect sign
That theyre feeling fine
Furry happy monsters feeling glad (x2)
Furry happy monsters laughing
Something has gone wrong, (what are we gonna do?)
Sighing, sighing.
Faces have turned long, (I am so sad!)
Crying, crying.
Hear them sob and whine, (oh oh oh)
Tearful, tearful.
Thats a real good sign,
That theyre feeling glum.
Sad, sad times have come.
Furry sobbing monsters feeling sad.
Furry sobbing monsters feeling sad. (oh so its sad)
Furry sobbing monsters crying.
Come on monsters, you dont have to cry, (we dont)
