Ariana Grande, Step On Up

[Intro]
Step on up to this
Step, step on up to this
Step on up to this crazy love

[Verse 1]
Hey, I'm classy
but I don't mind if it get at me
It's okay to get nasty,
just the way that you like
You say I'm sexy,
so bad, they should arrest me
You can't forget me,
gave you the time of your life

[Pre-Chorus]
What you need, babe, is a number one
Can't you see, babe? I've got what you've been waiting for
What you need, babe, is a work of art
What you need, babe, come get it, I got it

[Chorus]
Step on up to this
Step, step on up to this
Step on up to this crazy love
Step on up to this
Step, step on up to this
Step on up to this crazy love

[Verse 2]
Hey, I'm waitin',
standing here with my ladies
No shade, in chasing,
if we got what you like
Don't stop, keep movin',
cause I love what you doin'
Let's rock to this music,
have the time of your life

[Pre-Chorus]
What you need, babe, is a number one
Can't you see, babe? I've got what you've been waiting for
What you need, babe, is a work of art
What you need, babe, come get it, I got it

[Chorus]
Step on up to this
Step, step on up to this
Step on up to this crazy love
Step on up to this
Step, step on up to this
Step on up to this crazy love

[Bridge x2]
Don't be ashamed, any time, any place
Let him know that you got it like that
Love him real good, and you treat him like you should
You're gonna keep him coming right back

[Pre-Chorus]
What you need, babe, is a number one
Can't you see, babe? I've got what you've been waiting for.
What you need, babe, is a work of art
What you need, babe, come get it, I got it

[Chorus]
Step on up to this
Step, step on up to this
Step on up to this crazy love
Step on up to this
Step, step on up to this
Step on up to this crazy love

[Outro]
Don't be ashamed, any time, any place
Let him know that you got it like that
