Robbie Williams, Dance Floor

get on the dancefloor come on
get on the dance floor oh yeh
get on the dance floor and dance with me yeh

its disco time lets dance to the beat
now dish your arms with your hand and your feet
come over here and let yourself go be calm relaxed just go with the flow
im so sexy come dance with me
if you want to have fun shake your booty

everybody's here ready for a snog
the prince is here but he may be a frog
do jazz do pop do anything you want
the music hops it never really stops

so come on lets go
go on down to the disco
with steps with five and even sisqo

get on the dance floor come on
get on the dance floor oh yeh
get on the dance floor and dance with me yeh

YEH
