Avant, French Pedicure

French pedicure in the air
French pedicure
French pedicure in the air, it's plain to see that you like 'em there
It's never too much, yearning your touch
French pedicure in the air, it's plain to see that you like 'em there
Love is beautiful also physical
I been thinking of ways to make you fantasize about me
I been thinking of moves, the pressure I put upon your body
When I demonstrate girl, you're extremely over excited
But don't hyperventilate just relax please, baby invite it
All the faces you make when I'm off in it
Got me pulling your hair girl, let's get ignorant
Ain't nobody gon' freak you like you know I can
Your swagger, your style girl when you smile
And I grab your legs and your
French pedicure in the air, it's plain to see that you like 'em there
It's never too much, yearning your touch
French pedicure in the air, it's plain to see that you like 'em there
Love is beautiful also physical
French pedicure in the air, it's plain to see that you like 'em there
It's never too much, yearning your touch
I'm digging you out, I'm hitting the spots you like best
You're tempted to scream, you're digging your nails in my back
I'm feeling your passion, watching you curl your toes
Shaking, convulsing, want you to let go
Let this moment take you on a fantasy voyage
Your temperature's rising as I go downtown
Just when you think it's over here comes another round
The prettiest girl anybody's ever seen
Your swagger, your style girl when you smile
And I grab your legs and your
French pedicure in the air, it's plain to see that you like 'em there
It's never too much, yearning your touch
French pedicure in the air, it's plain to see that you like 'em there
Love is beautiful also physical
French pedicure in the air, it's plain to see that you like 'em there
It's never too much, yearning your touch
It is going down, I'm loving
Your stroking bed it's rocking like we're on the ocean
Another round, I'ma show you some of my tricks
While you're holding my blue stick
Do you like that? Flowers, candy, chocolates, violins and wine
Did you have a good time? All that
If you're ready, just lay back, I'll be kissing your thighs
Loving your smile when I grab your legs
French pedicure in the air, it's plain to see that you like 'em there
It's never too much, yearning your touch
French pedicure in the air, it's plain to see that you like 'em there
Love is beautiful also physical
French pedicure in the air, it's plain to see that you like 'em there
If it's feeling good let me hear you say
Ooh, ooh, ooh, ooh
