Alicia Keys, Gangsta Love

(Murder inc rugh riders)
I just wanna rock you
All night long (Oh)
I wanna rock you
I just wanna rock you
All night long (Oh)
I wanna rock you baby
Need you to understand me daddy
I aint your average
Baby girl doing it dog
Im well established
I aint trying to lead you
Just wanna ask if you
Might wanna give me your name
Explain your status
You know I see you time to time
You seem available
Dont mean shit
I know these bitches wanna settle you
gotta say you on my short list of few
Them other dudes is okay
But Im feeling you
Want you in the best way
Whatchu gonna do about it
Why dont you just test me
You wont wanna do without it
Now Im comin at ya hard meeting a thug
an' I aint givin up till
I get that gangsta love (Gangsta Love)
I just wanna rock you
All night long (Oh)
I wanna rock you
I just wanna rock you
All night long (Oh)
I wanna rock you
I know you seen me this night that night
Always my shit tight
Hair done outfit crazy
Skirt fit just right
Wife beater with a banging tan
Walk in demanding all eyes
Baby here I am
aint ashamed of my frame and I know you watching
Putting on a show for you poppin I aint stopping
A lot of action in your corner
Yeah you on it to
Only thing that make it better though
Is me with you
And I know you feeling that
Regardless of your frontin
And I heard through the streets
it was me you wanting
Let me find out you shy uh huh
But I know you're not
So stop the games
Your approach says your really not
I just wanna rock you
All night long (Oh)
I wanna rock you
I just wanna rock you
All night long (Oh)
I wanna rock you
Okay numbers exchanged
Now its in play

Shouldn't a took you so long in the first place
Im just playing cutie
Yeah give me a call
Naw its cool
You dont gotta see me to mah car
See Im a big girl
But you'll find out

Wheels spinning
Wanna know what shortys all about
But its cool Im drooling
And these words just comin out my mouth
