B5, Get'cha Head In The Game

Coach said to fake right
And break left
Watch out for the pick
And keep an eye on defense
Gotta run the give and go
And take the ball to the hole
Like an old school pro
He said, "Don't be afraid"
What you waitin' on?
To shoot the outside "J"

Just keep ya head in the game
Just keep ya head in the game

And don't be afraid
To shoot the outside "J"
Just keep ya head in the game

U gotta
Get you get you head in the game
We gotta
Get our, get our, get our, get our head in the game
[repeat 3x]

Let's make sure
That we get the rebound
'Cause when we get it
Then the crowd will go wild
A second chance
Gotta grab it and go
Maybe this time
We'll hit the right notes

Wait a minute
It's not the time or place
Wait a minute
Get my head in the game
Wait a minute
Get my head in the game
Wait a minute
Wait a minute

I gotta
Get my, get my head in the game
You gotta
Get you, get you, get you, get you head in the game
[repeat 3x]

Why am I feeling so wrong
My head's in the game
But my heart's in the song
She makes this feel so right

[SPOKEN]
Should I got for it
Better shake this, yikes!

I gotta
Get my, get my head in the game
You gotta
Get you, get you, get you, get you head in the game
[repeat 4x]
