Intro
Yeah
Verse 1
I was lonely, yeah
I needed someone, to see me through, uh
I was at the, end of my rope,
I needed someone, to cut me loose
Then an angel, out of the blue
Gave me the sense that I, might make it through
And somehow I survived, with no rhyme or reason
And now I know I made It
Through the miracle of you and oh baby
Chorus
I know the color of love
(Girl it lives inside of you)
I know the color of truth
(It's in the image of you)
If it comes for the heart
Then you know that its true,
It will color your soul, like a rainbow
And the color of love is in you
Ooh babe
Lives in you
You babe
Verse 2
Like a bridge
Over, over, over troubled, troubled waters
You stood beside me, stood beside me, me
And your love did, did not falter, oh
Then an angel, the angel in you, oh
Gave me the strength to trust
The Lord will see me through
And that's how I survived
There's no other reason
And now I know I made it
Through the miracle of you, oh
Chorus
I know the color of love,
(I know it lives inside of you)
I know the color of truth
(It's in the image of you)
If it comes from the heart
Then you know that it's true,
It will color your soul
Like a rainbow
And the color of love is in you
Is in you
Lives in you
It's in you
Lives in you
yeah babe
