Sheryl Crow, Picture

(feat. Kid Rock)

Living my life in a slow hell
different girl every night at the hotel
I aint seen the sun shine in 3 damn days
been fuelin up on cocaine and whiskey
wish I had a good girl to miss me
but I wonder if I'll ever change my ways
I put your picture away
sat down and cried today
I cant look at you while I'm lying next to her
I put your picture away
sat down and cried today
I cant look at you while I'm lying next to her

I called u last night in the hotel
everyone knows but they wont tell
but there half hided smiles tell me somethin just aint right
I've been waiting on you for a long time
fuelin up on heartaches and she'd whine
I aint heard from you in 3 damn nights
I put your picture away
I wonder where you've been
I cant look at you while I'm lyin next to him
I put your picture away
I wonder where you've been
I cant look at you while I'm lyin next to him

I saw you yesterday with an old friend
it wuz the same old same how have you been
since you've been gone my worlds been dark and gray
you reminded me of brighter days
I hope to be coming home to stay
I wuz head of the church
I wuz off to drink you away
I thought about you for a long time
can't seem to get you off my mind
I cant stand why were living like this way
I found your picture today
I swear I'll change my ways
I just called to say I want you to come back home
I found your picture today
I swear I'll change my ways
I just called to say I want you to come back home
I just called to say I love you
come back home
