American Juniors, Put A Little Love In Your Heart

Think of your fellow man
lend him a helping hand
put a little love in your heart

You see its getting late
oh please don't hesitate
put a little love in your heart

And the world, would be a better place
and the world would be a better place

for you, and me, you just wait and see

Another day goes by and still the children cry
put a little love in your heart

If you want the world to know
we won't let hatrid grow
put a little love in your heart

And the world (and the world), would be a better place
and the world (AND THE WORLD)would be a better place

for you, and me, you just wait and see
