Amy Studt, Just A Little Girl

Sometimes I feel youre not listening
Sometimes I feel you dont understand
But I think Ive got the answer
Already know what youre gonna say

Cause Im just a little girl you see
But theres a hell of a lot more to me
Dont ever underestimate what I can do
Dont ever tell me how Im meant to be

You say Im just a little girl, just a little girl
How can I compare? What do I know?
What have I got to share?
But theres nothing in this world, nothing in this world
That could hold me down, cant you hear me?
Dont you understand
That I wanna be myself, wanna be the girl,
Wanna be the one that you can rely on
How I wish that you could see all there is of me
How I long to hear that you take me
For who I am

Cause Im just a little girl you see
But theres a hell of a lot more to me
Dont ever underestimate what I can do
Dont ever tell me how Im meant to be

Cause Im just a little girl you see
But theres a hell of a lot more to me
Dont ever underestimate what I can do
Dont ever tell me how Im meant to be

Sometimes I feel youre not listening
Sometimes I feel you dont understand

Cause Im just a little girl you see
But theres a hell of a lot more to me
Dont ever underestimate what I can do
Dont ever tell me how Im meant to be

Cause Im just a little girl you see
But theres a hell of a lot more to me
Dont ever underestimate what I can do
Dont ever tell me how Im meant to be
