Soilwork, Spirits Of The Future Sun

Total oblivion of my inner past. Will i ever be the same again
Landscapes of treasures before my eyes
Now its over forget the past

(Chorus)
Spirits...of the...future sun
Spirits of the future sun!!

Legal lies and desperate cries I cannot see
I'm on my own self destructive and the anguish of youth
Futures rising in your mind!

(Repeat Chorus)
Your spirits wait for me in vain! I won't fall!

Sun burns red on the innocent child
Twisted rules by incommon souls computerized
Pathetic lies the lights are out... Here comes the war!

(Repeat Chorus)
Your spirits wait for me in vain! i wont fall! (x2)

(Repeat First Verse)
(Chorus)
