Anti Nowhere League, Can't Stand Rock'N'Roll

Well I cant stand RocknRoll
I cant stand RocknRoll
I cant stand RocknRoll
Well up your arsehole RocknRoll
The man who made it was and fat
Oh you little boys, what ya think of that
Another two went and died in a plane
oh my God I wish theyd do it again
Well I cant stand RocknRoll
I cant stand RocknRoll
I cant stand RocknRoll
Well up your arsehole RocknRoll
Then came the shit from foreign lands
Money in mouth and shit in hands
Poisoned minds and ruined souls
Fuck that Rockn Roll
Well I cant stand Rockn Roll
I cant stand Rockn Roll
I cant Rockn Roll
Well up your arsehole, RocknRoll
I was born and bred on that fucking shit
With the boring cunts that didnt spit
Its time now for a different noise
You are the dead now we are the boys
I cant stand RocknRoll
I cant stand RocknRoll
I cant stand Rock n Roll
Stuff it up your arsehole RocknRoll
