

# 112, I Can't Believe

(feat. Faith Evans)

[Chorus:]

I can't believe that love has gone away from me  
I can't believe that love has gone away  
I can't believe that love has gone away from me  
I can't believe that love has gone away  
(I can't believe you've gone away)

[112]

Hours, days and nights I sat and I prayed  
Never thought that I would see this day  
I didn't think that it could hurt so bad  
A broken heart was never meant for me

[Faith]

Lord, let it please rain on my face  
So that it could wash away all my tears  
If this is the house that love is in let me leave  
Cuz I don't wanna be hurt like this again  
I can't believe

[Chorus]

[112]

Many times I watched you while you were asleep  
With thoughts of living life with only you  
If I had read your mind and things could have changed  
I'll give anything to be with you again

[112]

All I ever wanted was to see your face  
And hear your pretty voice from day to day  
Now that you've gone I have no reason for feeling that way  
I can't believe you've gone away

[Chorus]

[112]

When I look back on the times we've shared  
Our life was ok, now what else could come down

[Faith]

Don't you know you were my love (my only love)  
And I can't believe that you've gone away

[Repeat Chorus until fade]
