Superchick, Karaoke Superstars

Spoken:
That's right, thats right
You hear that?
Aww yeah,
That's just the fresh sounds of Superchick going through your stereo:
Turn up the car radio
We can be karaoke superstars
Karaoke superstars

Red rover, red rover please let me come over
make me queen for a day an escort to roll over
Last to be chosen will I be here leftover well it's alright
baby it's alright baby it's
I feel alone
I feel unseen
I feel marked down
I just get my keys

CHORUS:
And we can turn up the car radio
We can be kareoke superstars
Doesn't matter what they think
When we're driving in my car

Red rover, red rover
I don't wanna come over
Cut me down to your size so you tower me over
only works if I care
And if I don't your reign's over
And it's alright, baby it's alright
baby it's
I am alone
I am unleashed
I define myself
I just get my keys

CHORUS

Red rover, red rover
If you want them come over
It's a no critic car
So there's no one to win over
Be your own superstar
When the voting is over and
We're alright baby we're alright
Baby we're alright, baby we're alright

Turn up the car radio
We can be karaoke superstars
Doesn't matter what they think
If we don't think about it
(times 4)

We can be superstars
