

# 112, I'll Be There

I know it's kind of hard  
To get over someone  
And try to start a new  
A new relationship  
No need to rush cuz you  
Have all the time in the world  
Right now let's focus on  
How we can keep you happy

[Chorus:]  
You can call on me  
No matter what the situation  
I will be there  
Put your trust in me  
Whenever you need somebody  
I will be there

I know your broken hearted  
Your love is truly over  
He left you sad and lonely  
Now you're feeling empty  
You've got to realize  
He made a big mistake  
Leaving you was the worst thing he could ever do

I can feel it when you hurt  
You will never be alone  
All those crying days are gone  
I'll be here to guide you  
Baby I will be right there  
And you know I will always care

[Chorus]

Baby listen to me  
And girl you will see  
That I'm the only one for you  
I'll give you what ever you need  
You can depend on me  
I'll be your friend  
I will always be right there, oh

[Chorus]

I can feel it when you're hurt  
Girl, you're never alone  
Oh, all those days are gone  
I will be there  
Oh, I will be there  
Just to guide you  
You're never alone  
Girl, you know I'll always care  
Right there, right there

You don't have to worry  
I'm gonna be by your side  
Even when times are hard  
Just count on me and  
I will always be there

[Ad lib until fade]
