

# 112, In Love With You

Every day I think about  
All the love you've given me  
All the ways you show your love and  
Girl it drives me crazy  
Every day our love grows stronger  
Everytime I see you  
Thinking about this love you give me  
Girl I can't get over you

[1] - Just how I feel for you  
Tell me your love will always be here for me  
I need your love don't ever take it away  
Tell me with me is where you'll always stay

[2] - You are so special to me  
I need you here with me  
Someone to love me always  
I'm in love with you

You are so special to me  
Why don't you stay with me  
So we can be together  
I'm in love with you

Never was a love before me  
No one else compares to you  
No one does the things you do  
To make me feel the way I do  
Every time I see your pretty face  
It makes me love you more  
All this time I looked for love  
And now it is knocking at my door.

[Repeat 1]  
[Repeat 2]

You mean the world to me  
And you're more special  
Than you think  
Baby you must believe  
That I love you so

[Repeat 2 until fade]
