Billy Ray Cyrus, Get ready get set don't go

She's gotta do what she's gotta do
And I've gotta like it or not
She's got dreams too big for this town
And she needs to give 'em a shot
Where ever they are
Looks like she's all ready to leave
Nothing left to pack
There ain't no room for me in that car
Even if she asked me to tag along
God I gotta be strong
(chorus)
She's at the startin' line of the rest of her life
As ready as she's ever been
Got the hunger and the stars in her eyes
The prize is hers to win
She's waitin' on my blessings before she hits that open road
Baby get ready
Get set
Don't go
She says things are fallen into place
Feels like they're fallen apart
I painted this big ol' smile on my face
To hide my broken heart
If only she knew
This is where I don't say what I want so bad to say
This is where I want to but I won't get in the way
Of her and her dreams
And spreadin' her wings
(chorus)
She's at the startin' line of the rest of her life
As ready as she's ever been
Got the hunger and the stars in her eyes
The prize is hers to win
She's waitin' on my blessings before she hits that open road
Baby get ready
Get set
Don't go
She's at the startin' line of the rest of her life
As ready as she's ever been
Got the hunger and the stars in her eyes
The prize is hers to win
She's waitin' on my blessings before she hits that open road
Baby get ready
Get set
Please Don't go
Don't go
Don't go
She's gotta do what she's gotta do
She's gotta do what she's gotta do
