Blackhawk, Forgiveness

I broke the promise and never thought twice,
Sewing seeds of heartache without paying the price
Never looked back to see all the damage I'd done,
Just looking out for number one.

There isn't much that I ain't guilty of,
You see my conscience in the name of love
All I wanted was to fill this hole in my soul
Now I know, all I need, all I need, all I need is forgiveness.

Can you find beauty in the beast I've been,
Is it too late for me to start again?
Am I worth all the pain that I put you through,
You know it's up to you.

I wanna step out from the shadows I've cast,
It's time to turn and face the ghosts of my past.
I wanna make things right that I know I've done wrong
For so long all I need, all I need, all I need is forgiveness.

It's all or nothing
No in between
This is my choice
To finally come clean

All I need, all I need, all I need is forgiveness.

It is forgiveness

Is forgiveness

Is forgiveness

Forgiveness...
