Astrud Gilberto, Windy

WINDY

Whos peekinout under a stairway
Calling a name thats lighter than air
Whos bending down to give me a raimbow
Everyone knows its Windy

Whos tripping down the streets of the city
Smilinat everybody she sees
Whos reachinout to capture a moment
Everyone knows its Wind

And Windy has stormy eyes
That flash at the sound of lies
And wind has wings to fly
Above the clouds
(Above the clouds)
Above the clouds
(Above the clouds)

And Windy has stormy eyes
That flash at the sound of lies
And wind has wings to fly
Above the clouds
(Above the clouds)
Above the clouds
(Above the clouds)

Whos tripping down the streets of the city
Smilinat everybody she sees
Whos reachinout to capture a moment
Everyone knows its Wind

Whos tripping down the streets of the city
Smilinat everybody she sees
Whos reachinout to capture a moment
Everyone knows its Wind
