

# 112, Nevermind

(1) Nevermind That He Don't Love You  
Nevermind That He Don't Care  
I'll Give You Love The Way You Want It  
Say It's Alright And I'll Be There  
I'll Be Right There

Shoulda Known It When I Saw You, Baby  
Shoulda Never Let Him Call You Baby  
No Matter How I Try  
No Longer Can I Hide  
The Way I Feel  
That's Why I'm Asking You

I Know All The Places I Want You To Be  
And So Many Things I Want You To See  
If You'd Only Put Your Trust In Me  
Baby I'll Show You Love

My Lady Say Yes And I'll Be Ready
