Audio Adrenaline, Tremble

Shaking like a leaf
Afraid to lift my eyes
Afraid of all Your glory
Ashamed of all my pride
Then You call me in
To Your holy place
I fall down
Down on my face
And I beckon You for mercy
And I beckon You to forgive everything that I've ever done
And I tremble
And I tremble
I am just a man
Showered in Your grace
You are the Holy God
Your Glory fills this place
And I beckon You for mercy
And I beckon You to forgive everything I've ever done
And I tremble
I tremble
