Bruno Mars, Dance in The Mirror (ft. Master Shor

She wakes up in the morning, jumps in the shower
Then rubs on her lotion, while she?s wrapped in a towel
And no music on, but she dance till perfection
I swear the bathrooms the club, the ways she?s showing love to her reflection

Every morning I watch her from behind, but she don?t know
I pretend that I?m asleep, but I don?t miss her show

My favorite part of the day,
Is when she dance in the mirror
Dance in the mirror
There?s nothing more I can say
Just watch her dance in the mirror
Dance

Oeh she?s so cute, cute, cute
Dancing in the nude, nude, nude
Oooh

My favorite part of the day
Is when she dance in the mirror
Dance in the mirror

It?s late in the evening, we got dinner reservations
She?s taking her time, but I don?t mind waiting
I don?t get impatient, cause when she gets naked
Oeh the temptation, oeh the temptation
You make me wanna cancel all of our plans
Keep you right where you stand, just wanna see you dance

Every morning I watch her from behind, but she don?t know
I pretend that I?m asleep, but I don?t miss her show

My favorite part of the day,
Is when she dance in mirror
Dance in the mirror
There?s nothing more I can say
Just watch her dance in the mirror
Dance

Oeh she?s so cute, cute, cute
Dancing in the nude, nude, nude
Oooh

My favorite part of the day
Is when she dance in the mirror
Dance in the mirror

Ooooh oe ooooh oh oh
She?s singing to herself like
Da da, da da, da da da

Ooooh oe ooooh oh oh
She?s singing to herself like
Da da, da da, da da da

My favorite part of the day,
Is when she dance in mirror
Dance in the mirror
There?s nothing more I can say
Just watch her dance in the mirror
Dance

Oeh she?s so cute, cute, cute

Dancing in the nude, nude, nude
Oooh

My favorite part of the day
