Cherelle?
Yes, pebbs
Have you ever loved someone so much
That you feel it deep down in your soul?
Girl, I truly have
Well, this is how I feel about the one I love
Let's sing it together
Always

Boy, I never knew a love like you before
You came into my life and gave me more
You are my friend - also my man
And I'll love you always

You, you just don't know what you've done for me
You gave me love and now I'm complete
You are the sun, you are the sun
The only one
And I'll love ya always

Baby, don't leave me
Don't ever desert me
I'll promise my life to you
And I'll love you always (love you always)
Baby, don't leave me
Don't ever desert me
I'll promise my life to you
And I'll love you always
I love you always

I, wish I had known that you'd come for me
I was a soul that was lost and incomplete
You were my friend, now you're my man
And I want you always

I, I just don't know what came over me, boy
You touched my soul and let me feel free
Always be there, and baby don't be scared
Cause I'll love ya always
Baby always

Hook

My friend, you're my man
I do, I do, I do
I do love you

You, you should know now that I'll never leave you
Well, I've searched the land and now I've found you
You are my girl you are my man, I am your man
My only man
And I'll love you always
Always

Baby, don't leave me
Don't ever desert me
I'll promise my life to you
And I'll love you always (love you always)

Baby, don't leave me

Don't ever desert me
I'll promise my life to you
And I'll love you always

Baby, don't leave me, oh baby
Don't ever desert me, I love you
I'll promise my life to you
And I'll love you always
I love you always

Baby, don't leave me
Don't ever desert me always
I'll promise my life to you
And I'll love you always

Baby, don't ever leave
Don't ever leave me, please
I promise unselfishly
To love you always
Baby, don't ever go
Don't ever leave me, no
All the things that we've been through
Still love you always

Baby, don't you ever go
Don't you ever go
Never leave you, no
You must stay always
And I'll love you always

Baby, don't you ever go
Don't you ever go
Never leave you, no
You must stay always
And I'll love you always

Baby, don't ever leave
Don't ever leave me, please
I promise unselfishly
To love you always

Baby, don't ever go
Don't ever leave me, no
All the things that we've been through
Still love you always

Baby, don't you ever go
Don't you ever go
Never leave you, no
You must stay always
And I'll love you always
