Whatever it is

Girl dont hesitate to call me

You dont have to worry bout a thing

Cause Ill be right here waiting for you

Chorus

Whatever he wont do

Ill do

Whatever you need

Ill give to you

Whenever you cry

Baby just call on me

And I will be right there

Right there for you

Whenever you think of me

Know that Im thinking of you

And how can I get you to see

That youre somewhere you aint suppose to be

Just give me one chance

To prove to you Im a better man

Youll always be in my heart

Whatever he wont do

You know Id do it for you
