Listen....

Baby you don't have to cry

So won't you wipe the tears from your eyes

Girl I need for you to see

With me is where you know you need to be

Whatever it is...

Girl don't hesitate to call on me

You don't have to worry bout a thing

Cause I'll be here waiting for you

Chorus

Whatever he won't do...

I'll do

Whatever you need...

I'll give to you

Whenever you cry...

I'll cry with you

Baby just call on me

And I will be right there

Right there for you

Whenever you think of me

Know that I'm thinking of you

And how can I get you to see

That you're somewhere you ain't suppose to be

Just give me one chance

To prove to you I'm a better man

Never break apart

You'll always be in my heart

Whatever he won't do

You know I'll do it for you

chorus

Whatever he won't do...

I'll do

Whatever you need...

I'll give to you

Whenever you cry...

I'll cry with you

Baby just call on me

And I will be right there

Right there for you

I'll do things for you

Like that man won't do

I'll prove my love to you

Girl I'll die for you

I'll hold you tight

All though the night

I'll let you know

It'll be alright

You are my world

Please be my girl

My love is true
