Cascada, Dream On Dreamer

The autumn rain is falling down
Through the clouds , hits the ground
Wash away , traces in the sun

Yesterday , so far away
They disappear , love was here
I close my eyes to be with you again

You're still alive the world is in your hand

Dream on dreamer
And the sun will always shine down on you
Keep on dreaming
It's alright , feel alive

Dream on dreamer
And the world keep spinning around and around you go
Don't stop dreaming
It's alright , we're alive
(We're alive)

I light your name , across the sky
I'll be with you till the end of time
Don't wake me up , I'm reaching for your hands

I'll never go to break your heart
No matter if you're near of far
Just close your eyes to be with me again

You're still alive the world is in your hand

Dream on dreamer
And the sun will always shine down on you
Keep on dreaming
It's alright , feel alive

Dream on dreamer
And the world keep spinning around and around you go
Don't stop dreaming
It's alright , we're alive

Dream on dreamer
And the sun will always shine down on you
Keep on dreaming
It's alright , feel alive

Dream on dreamer
And the world keep spinning around and around you go
Don't stop dreaming
It's alright , we're alive
