Chantal Kreviazuk, All I Can Do

When you're on your own
When you're at the fork in the road
You don't know which way to go
There's too many signs and arrows

You haven't left in a while
When you can't even fake a smile
When you feel ashamed
The uniform don't make you brave

[Chorus:]

All I can do is love you to pieces
Give you a shoulder to cry when you need it
When the day is long
And then night is coming down on you
All I can do
All I can do
All I can do

When you forget your name
The pleasure can't disguise your pain
You don't feel the same
I won't forget the love you made

[Chorus]

What a lovely day to shape your dreams
And you don't even have to sleep
You can make it what you want to be
You can fly away
You can change your name
Have a happy faith
If you'll be so real
Oh

[Chorus]

It's all that I can do
