White Zombie, Electrichead Part 2 Ecstasy

(I just said, 'up yours,' baby!)

Strip down core violate and paralyze
Flood my soul a coffee dreg - supersize
Slung low like a whore - yeah
Devil want some more - yeah
Cupid bought a gun - he gonna blow the f**ker

Yeah - I want it
Yeah - I need it
Yeah - I love it
Yeah - electric head in your head - in your head - in you!

Breakneck speed get a violent spinal crack'n
Back down to the chrome and feel the death wish attack'n
Hubcaps on your eyes - yeah
Cannot sympathize - yeah
A fistful of hair and a splinter in the mind!

Yeah - I want it
Yeah - I need it

Yeah - I love it
Yeah - electric head in your head - in your head - in you!

(I kill the motherf**ker and I'll come lookin' fo' you!)

(watch your mouth, man...)
(I can say any damn thing I want!)

Too far gone see the freak apologize
Flood my soul a coffee dreg - supersize
Slung low like a whore - yeah
Devil want some more - yeah
Cupid bought a gun - he gonna blow the f**ker

Yeah - I want it
Yeah - I need it
Yeah - I love it
Yeah - electric head in your head - in your head - in you!
