Billy Gilman, You Don't You Won't

You Don't You Won't
* D. Bassett * M. Himelstein *

You don't, you wont, no way, I say,
you didn't, you doesn't, you isn't, you wasn't,
you wouldn't, you couldn't you, oughtn't, you shouldn't
love no body but me

You're mine, not his, you are, you is,
I mean it, I seen it, I did it, I done it,
I do, you knew, you can't, you shant
love no body but me

That's all, that's it,
I aint jealous of the fellas that you hang around with.
Don't pay, No mind.
And I'm telling you one more time.

You don't, you wont, no way, I say,
you didn't, you doesn't, you isn't, you wasn't
you wouldn't, you couldn't, you oughtn't, you shouldn't
Love no body but me.

That's All, That's right,
I aint waiting, aint faking, no maybes, no mights.
My heart, don't lie.
And I'm telling you one more time.

You don't, you wont, no way, I say,
you didn't, you doesn't, you isn't, you wasn't
you wouldn't, you couldn't, you oughtn't, you shouldn't
Love no body but me.

You don't, you wont, no way, I say,
you didn't, you doesn't, you isn't, you wasn't
you wouldn't, you couldn't, you oughtn't, you shouldn't
Love no body but me.

You're mine, not his, you are, you is,
I mean it, I seen it, I did it, I done it,
I do, you knew, you can't, you shant
love no body but me

Love nobody but me
Love nobody but me

You don't, no way,
You didn't, you doesn't, you isn't, you wasn't,
You couldn't, you shouldn't

You knew, you shouldn't
love no body but me

Love nobody but me
Love nobody but me
