

112, What The Hell Do You Want

(tsk..why you gotta act like that?)

When I say that I love you, you ask me what I want
When I try to care for you woh-o hoa, you say I'm tryin' to front
When I'm tryin' to listen to you oh ho baby, you take it as a joke
And when I try to give you good advice yeah yeah, you swear that I don't know

So what the hell do you want? Uhn, Baby?
What the hell do you want, from me?
What the hell do you want, I need to know
What the hell do you want, baby
What the hell do you want from me

Baby, tell me,
What the hell do you want from me yeaah
Listen here, Baby,
I need to know right know
Tell me how

When I try to make love to you, oh yeah yeah yeah, you tell me not tonight
And when I wanna touch you, oh ho baby, you say that now is not the time
And when I wanna hold you, oh ouuh, you tell me you need space
But you just said I wasn't affectionate enough
That's what you told me yesterday

So what the hell do you want? Uhn, Baby?
What the hell do you want, from me?
What the hell do you want, I need to know
What the hell do you want, baby
What the hell do you want from me

I don't know what else to do yeah,
What the hell do you want from me baby,yes

Listen
You tyin' to decieve me, you're tryin' to mislead me, yes yes
You didn't appreciate what I was doin'
Thank god I'm just gonna keep movin'
You can't hurt me no more yeah so I'm walking out that door
You can't hurt me no more so I'm walking out that door
