

# 112, When I See You Smile

Sometimes I wonder  
How I'd ever make it through  
Through this world  
without having you  
I just wouldn't have a clue  
And sometimes it seems  
Like this world's closing in on me  
And there's no way of breaking free  
Then I see you reach out for me  
Sometimes I wanna give up  
Wanna give in  
I wanna quit the fight  
then one look at you baby  
can make everything all right  
make everything alright

When I see you smile  
I can face the world  
Oh you know that I can do anything  
When I see you smile  
I see a ray of light  
Oh I see it shining  
right through the rain  
When I see you smile  
Baby when I see you smile at me

Baby there's nothing in this world that could ever do  
What the touch of your hands can do  
It's like nothing I ever knew  
ooooohhhh  
And when the rain is falling  
I don't feel it  
Cause you're here with me  
and one look at you baby  
It's all that I'll ever need  
It's all that I'll ever need

When I see you smile  
I can face the world  
Oh you know that I can do anything  
When I see you smile  
I see a ray of light  
Oh I see it shining  
right through the rain  
When I see you smile  
Baby when I see you smile at me

Sometimes I wanna give up  
wanna give in  
wanna quit the fight  
Then one look at you baby  
can make everything alright  
make everything alright

When I see you smile  
I can face the world  
Oh you know that I can do anything (that i can do anything)  
When I see you smile (baby when i see you smile)  
I see a ray of light( I see a ray of light)  
Oh I see it shining  
right through the rain (baby when i see you smile)  
When I see you smile  
I can face the world  
Oh you know that I can do anything

When I see you smile  
Baby when I see you smile at me  
when i see you smile.. baby when i see you smile..  
aaaattt me..aaattt me
