# 98 Degrees, Was It Something I Didn't Say

(Something I didn't say)
(Something I didn't say)

Spending another night alone
Wondering when I'm gonna ever see you again
Thinking what I would give to get you back, baby
I should have told you how I felt then
Instead I kept it to myself, yeah
I let my love go unexpressed
'Til it was too late
You walked away

Was it some thing I didn't say
When I didn't say "I love you"
Was it words that you never heard
All those words I should have told you
All those times, all those nights
When I had the chance to
Was it something I didn't say?
(Something I didn't say)
Was it something I didn't say?

Always assumed that you'd be there
Couldn't for see the day you'd ever be leaving me
How could I let my world slip through my hands, baby
I took for granted that you knew, yeah
All of the love I had for you, yeah
I guess you never had a clue
'Til it was too late
You walked away

Was it some thing I didn't say (Didn't say)
When I didn't say "I love you"
Was it words that you never heard (Never heard)
All those words I should have told you
All those times, all those nights
When I had the chance to
Was it something I didn't say? (Didn't say)
(Something I didn't say)
Was it something I didn't say?

All the words were in my heart
They went unspoken
Baby now my silent heart
Is a heart that's broken
I should've said so many things
Should've let you know
You're the one I needed near me
But I never let you hear me

Was it some thing I didn't say
When I didn't say "I love you"
(I didn't say "I love you")
Was it words that you never heard (Never heard)
All those words I should have told you
All those times, all those nights
When I had the chance to
All those times, all those nights
When I had the chance to
Was it something I didn't say?
(Something I didn't say)
Was it something I didn't say?
(I didn't say baby, I didn't say)
(Something I didn't say)
