Coldplay, Miracles

From up above I heard
The angels sing to me these words
And sometimes, in your eyes
I see the beauty in the world

Oh, now I'm floating so high
I blossom and die
Send your storm and your lightning to strike
Right between the eyes

Sometimes the stars decide
To reflect in petals in the dirt
When I look in your eyes
I forget all about what hurts

Oh, now I'm floating so high
I blossom and die
Send your storm and your lightning to strike
Right between the eyes
And cry

Believe in miracles
Miracles

Oh hey, I'm floating up above the world now
Oh hey, I'm floating up above the world now
