Abandoned Pools, L.V.B.D.

"Welcome to the world
My little virgin
Babydoll
Can you save me?
Ill set you off
With the tip of my tongue
Spinning
Never coming back

I wanna dig for gold
Wear the crown of
Forever lost souls

Ill be lost in
Forever, forever
Ill be lost in
Forever, forever

Jill went up the hill
And gave herself the will
To kill her fear
Now she's unstoppable
Indestructable
The incorruptible
Forever lost soul

Ill be lost in
Forever, forever
Ill be lost in
Forever, forever

Just a mercy kiss
Born of emptiness
I'm so sick of this
And your fakin'...

I wanna dig for gold
and wear a crown of
Forever lost souls
Ill be lost in
Forever, forever
Ill be lost in
Forever, forever"
