Abingdon Boys School, Fre@k

TV is on, and Im talking on the phone.
PC left on too, all at the same time.
No space on the floor, I could open a store.
Its almost 4, questions on my mind.
If I lose em all, what would happen to me?
Aint no sleepless night, aint goin to kill me.
If I lose em all, what would happen to me?
Whats the big deal? I am all I need.
Tigers following me, spiders watching me
As if theyre my friends, waiting for me to sleep
Words they throw at me, are binging me down
But Im reaching out toward a higher ground
If I lose em all, what would happen to me?
Aint no sleepless night, aint goin to kill me.
If I lose em all, what would happen to me?
Whats the big deal? I am all I need.
Just throw them away,
Take all away
Too heavy if you want to win the game
Get out of my way,
Take it if you want! (Bring it on!!)
Just throw them away,
Take all away
They got a better place to go to anyway
Get out of my way,
Take it if you want!
Just throw them away,
Take all away
Too heavy if you want to win the game
Get out of my way,
Take it if you want! (Thats Fre@k SHoW!!)
Just throw them away,

They got a better place to go to anyway
Get out of my way,
Take it if you want! (Bring it on!!)
