# Bruce Springsteen, Janey don't you lose heart

You got your book baby with all your fears
Let me, honey, and I'll catch your tears
I'll take your sorrow if you want me to
Come tomorrow that's what I'll do
Listen to me
Janey don't you lose heart
Janey don't you lose heart
Janey don't you lose heart
Janey don't you lose heart
Well you say you got no new dreams to touch
You feel like a stranger who knows too much
Well you come home late and get undressed
You lie in bed, feel this emptiness
Well listen to em
Janey don't you lose heart
Janey don't you lose heart
Janey don't you lose heart
Janey don't you lose heart
Till every river runs dry
Until the sun honey's torn from the sky
Till every fear you've felt burst free
And's gone tumblin' down into the sea
Listen to me
Janey don't you lose heart
Janey don't you lose heart
Janey don't you lose heart
Janey don't you lose heart
