Canned Heat, Wait And See

The sun's gonna shine in my back door someday
Just you wait and see, just you wait and see
One day you'll cry, I won't come back to you
Just you wait and see, just you wait and see

You've got such a great, big beautiful smile
I wanna hug and kiss you for a while

The sun's gonna shine in my back door someday
Just you wait and see, just you wait and see
