Cavalera Conspiracy, Ultra-Violent

Control...
Ultra-violent come and take control
Your soul...
Ultra-violent come and crush your soul
The storm...
Ultra-violent coming with the storm
Your world...
Ultra-violent come destroy your world

Feel the agony, crawling on your knees
Feel the agony and the bloodshed
'Til there's nothing left to bleed
'Til there's nothing left to bleed
'Til there's nothing left to...

Control...
Ultra-violent come and take control
Your soul...
Ultra-violent come and crush your soul
The storm...
Ultra-violent coming with the storm
Your world---
Ultraviolent come destroy your world

Feel the agony, crawling on your knees
Feel the agony and the bloodshed
'Til there's nothing left to bleed
'Til there's nothing left to bleed
'Til there's nothing left to...
