Agents Of Chaos
Agents Of Chaos
Hades Deep [incomplete]
I pay my stamps and I pay my tax
But it's not working and that's a fact
And all I see on the TV screens
Are starving kids and war machines
Resist what I've been taught in school
Is education the golden rule?

Quick! Somebody help me! This man is dying!

Beware you slithering slime of earth
You shall return to the time of birth
We shall destroy your simian UNCLE
Slice apart YOU'RE LIVING ALONE

???? KNOT
melt you down to liquid SNOT
Hell will burn from the Acid Rain
THERE'S NO sanctuary in your brain

WE SHALL BE YOUR GUIDE IN FEAR
And your babies we shall kill
You mother will die a hideous death
Your father will burn in our fire breath

We are the dark lords of hades deep
???? your deathly soul will keep
You'll burn forever in the pit of hate
?? suffering ??? fate
