Chris Rea, Miss Your Kiss

I've been everywhere, looking for an answer
I've been in and out, of every place in town
I've been checking out, looking for a reason
I just can't seem to work it out, which every way I choose
Oh I've been missing you
I'm missing you

I miss your kiss
I miss your touch
Can't get used to it baby
I miss you so much
I'm missing you
